To Judge Fischer,

This Cover Letter and all contents of this Package is being sent via certified mail #7010 2780 0003 4690

Currently I've been in detention at the MDC-LA for more than 90 Days based solely on "Hearsay" Using a very sad person named Hopkins , who says he is a Doctor, but in reality is not licensed in any way.

Hopkins is a known Sociopathic woman hater and he prays on woman over 80 for "Stem Cell" treatments, charging them \$5000 per such "Treatment" to prolong thier lives or so he claims.

My Bond is 1/4 the size of Ex President Trumps to put things in perspective.

Your Honor I wish to be re-released on my bond ASAP.
With no conditions so these people cannot entrap me again.

I have never breached my bond in anyway, and have been the subject of a "Witch-hunt" under the pretext of fabricated "hearsay" of false "Testimony" scripted by the DOJ.

This Document was put together by multiple attorneys; it includes a revised "Declaration" and incorporates a "statement of facts", and termination and disavowal of all prior and present false counsel such as Khojahan.

Sincerely,

David Saffron
